### Almaden Lake Park

Almaden Lake Park, located at the corner of Almaden Expressway and Coleman Avenue in south San José, is a 65-acre park operated by the San José Department of Parks, Recreation and Neighborhood Services in cooperation with the Santa Clara Valley Water District. The park was once a privately owned rock quarry. The lake is man-made and was progressively formed as a result of the quarry operation that began in the late 1940s.

Visitors can enjoy a wide range of recreational activities including fishing, boating (no power boats), bird watching, bicycling, walking and roller-skating. Youngsters of all ages enjoy the variety of equipment in the sand-filled playground area located on the Almaden Expressway side of the park. And a new tot lot playground (for ages 2-5) with a water feature is open on the park's east side, by the Winfield Blvd entrance. The park's extensive sand beach is scheduled to be open from Memorial Day until Labor Day. Since no lifeguards will be on duty during the winter season, wading and swimming are prohibited. Volleyball, horseshoe pits, and bocce courts are available on a first-come, first-serve basis; you will need to provide your own equipment. Picnic sites are located throughout the park, with many available on a first-come, first-serve basis. Five group picnic areas suitable for 20-200 people are available by reservation, including the new Arroyo Picnic Area with large covered area and seating for 200. For reservation information, please call 408-277-2757.

Running through Almaden Lake Park is the Los Alamitos Creek Trail, a paved 3.9-mile multi-use trail that features fitness stations and takes you by scenic agricultural lands and the riparian environment. The trail is very popular with walkers, cyclists and roller-skaters and links to the Calero Creek and Guadalupe Creek Trails.

Park Rangers are available at Almaden Lake Park to assist you and provide a more enjoyable, educational, and safe park visit. Ranger services include: first aid, fire suppression, park interpretation, and educational programming. Please call 408-277-5130 for further park information or to make arrangements for a friendly Ranger to meet your group.

### Alum Rock Park

Alum Rock Park is California's first and oldest municipal park. Nestled within the Alum Rock Canyon in the foothills of the Diablo Range, the park's many acres of natural, rugged beauty provide visitors with many leisure outdoor activities including hiking, horseback riding, bicycling, family and group picnicking, and of course just relaxing. Picnic tables, barbecue pits, water and restrooms are available in most picnic areas, with lawns and a children's playground in the mid-canyon area. Reservable picnic areas accommodate up to 300 people. Each area includes tables, barbecue stoves, and nearby restrooms. There are also first come, first served picnic areas. Some of the more secluded sites require a short walk since vehicles are not allowed into the area. For reservation information, please call 408-277-2757.

There are approximately 13 miles of trails including six miles of equestrian trails and three miles of bicycle trails. Hikers are welcome on all trails. Information about volunteer opportunities is available by calling 408-259-5477.

The Youth Science Institute (Y.S.I.) is located at Alum Rock Park and is open to all park visitors. The Youth Science Institute hosts an animal museum and provides nature and science programs to youth. Call 408-258-4322 for information or programs. Operating hours are from 12 noon to 4:30pm Tuesday through Saturday.

### Edenvale Garden Park

Edenvale Garden Park is a wooded treasure with over half a mile of tree lined meandering pathways. The park features a new children's playground, picnic area and restroom facilities. There are also three tennis courts, a sand volleyball court, a half basketball court and plenty of lawn space for family fun. The amphitheater has eight log benches, perfect for club or youth meetings. Plenty of free parking is available in the newly remodeled parking lot located off of Edenvale Avenue.

Formerly the home of Frontier Village, the children's playground highlights the Edenvale Garden Train Station in commemoration of the former theme park. Two play areas are designed for toddlers and older children. The Climbing Rock Slide play area is designed for children ages 5-12, and the Tiny Tot Train Depot is for children ages 2-5. The playground area has plenty of benches for parents to observe and relax.

Families can be seen preparing meals away from home in our spacious barbecue picnic sites. Within three separate locations, 23 tables and 11 barbecue pits are available to host your

next gathering. All sites are available on a first-come, first-served basis, no reservations. Air Jumpers are not allowed. Once the front yard to the Hayes Family Home (California State Historical Landmark #888), the park area served as a public garden and destination point for many historic San José figures. While taking a stroll, walk in the footprints where many dignitaries and presidents once set their tracks. Visit the Native Oaks and Art Ring displays, symbolizing our valley's past and future. The ring is made with sandstone blocks originating from our local quarries that served many structures in and around the Santa Clara Valley. The indented sandstone carvings are symbolic of the grinding stones once used by our native people. The oak trees predate the theme park, to the time when the Hayes Family owned the land. For more facts and information about the Hayes Family and Edenvale Garden Park, please visit the Hayes Mansion located at 200 Edenvale Avenue. The Hayes Mansion is operated under contract with the City of San José by the Dolce Hayes Mansion Conference and Resort Destinations, and can be reached at 408-226-3200.

Edenvale Garden Park is open daily from 7am until half an hour past sunset. For more information, please call 408-277-2757. For volunteer opportunities, please contact the Adopt-A-Park Program at 408-277-4477.
